

## **BOYNTON SCHOOL**

New Ipswich, New Hampshire

**Fieldstone Land Consultants PLLC** is pleased to have worked with Barker Architects, PLLC and Mascenic School District on a parking improvements plan for Boynton School in New Ipswich, New Hampshire. Services for this project included performing an existing conditions survey, designing a new parking lot and reconfiguring the existing parking at the entrance of the school.

This project is a small sample of work that can be performed by Fieldstone Land Consultants.
